

Health In Action

(Ref: 202108/N)

Position Title: Nutritionist

Brief Description of Health In Action:

Health In Action (HIA) is a non-profit making humanitarian organization with the vision to eliminate health inequity in societies. Our team comprises of multidisciplinary healthcare professionals and we aspire to drive social change through cycles of service, research, and advocacy. We believe health is a fundamental human right and provide support based on health needs, irrespective of race, religion, gender or political affiliation.

Health In Action is establishing a new wellness hub on Hong Kong Island to serve subdivided flats residents. We are currently inviting mission-driven applicant/s to join our organization to work with our passionate multi-professional health team to serve underprivileged communities and attain health equity in our society.

Job Descriptions:

Key Responsibilities:

- To plan and execute healthy eating and nutrition group work and community work with social team; sometimes case management
- To identify health needs with social determinants of health and provide appropriate resources;
- To co-design activities/events with social team to cater social and health needs of hub members;
- To coordinate available social and health resources in the community;
- To keep up-to-date public health information and deliver it to hub members and community partners
- To undertake any other duties as assigned by HIA
- 5-day work, shift duties on weekdays and weekends may be required, no overnight shift

Requirements:

- University graduate in food and nutrition science or above;
- A minimum of 3 years of relevant working experience in health-related institutions or social agencies
- Self-initiative, multi-tasking, flexible and excellent interpersonal skills
- Resilient, passionate and a good team player
- Proficient in Microsoft office
