

醫護行者 Health In Action

**Health In Action**

(Ref:202111/PT)

**Position Title: Registered Physiotherapist**

**Brief Description of Health In Action:**

Health In Action (HIA) is a non-profit making humanitarian organization with the vision to eliminate health inequity in societies. Our team comprises of multidisciplinary healthcare professionals and we aspire to drive social change through cycles of service, research, and advocacy. We believe health is a fundamental human right and provide support based on health needs, irrespective of race, religion, gender or political affiliation.

**Health In Action is establishing a new wellness hub on Hong Kong Island to serve subdivided flats residents. We are currently inviting mission-driven applicant/s to join our organization to work with our passionate multi-professional health team to serve underprivileged communities and attain health equity in our society.**

**Job Descriptions:**

**Key Responsibilities:**

- To plan and execute physiotherapy in group work and community work with social team; sometimes case management
- To educate clients, family members, and the community on how to prevent injuries and live a healthy lifestyle.
- To deliver health enhancement programmes and fitness programmes with social team to clients, NGO partners and other collaborating parties.
- To strengthen the role of community physiotherapist in the transdisciplinary setting adopting a holistic care approach
- To identify health needs with social determinants of health and provide appropriate resources;
- To coordinate available social and health resources in the community;
- To keep up-to-date public health information and deliver it to hub members and community partners;
- To undertake any other duties as assigned by HIA
- 5-day work, shift duties on weekdays and weekends may be required, no overnight shift

**Requirements:**

- Degree holder in Physiotherapy or equivalent.
- Holder of Certificate of Registration (Part 1a) with valid practicing certificate issued by Physiotherapists Board of Hong Kong.
- At least 5 years of working experience in community/primary healthcare setting and able to contribute to the overall service development
- Self-initiative, multi-tasking, flexible and excellent interpersonal skills
- Resilient, passionate and a good team player
- Proficient in Microsoft office
