

## Health In Action

### Position Title: Physiotherapist (Full-time / Part-time) (Ref:202206PT)

#### Position Summary

We are looking for a qualified Physiotherapist to join our allied health team and take on the role of facilitating the primary and preventive care works as well as treatment and therapy of clients who suffer from physical challenges, helping them with recovery and therapy. The works shall also in turn promote health equity in the community related to physiotherapy services.

To be a successful Physiotherapist, you should have strong interpersonal skills, good communication skills, and strong knowledge of physiotherapy techniques. Ultimately, you should have a passion for helping people, innovative, and the ability to work well within a team.

#### Brief Description of Health In Action:

Health In Action (HIA) is a non-profit organization and registered charitable organization in Hong Kong since its establishment in 2011. Our vision is to achieve health for everyone in the society. Our transdisciplinary team includes nurses, physiotherapists, pharmacists, dietitian, nutritionists, social workers, public health practitioners and health coaches. We aspire to promote a healthy city in Hong Kong through cycles of service, research, advocacy, and nurture.

#### Job Descriptions:

- Deliver quality service for clients with musculoskeletal condition and chronic pain.
- Educate clients, family members, and the community on healthy lifestyle and pain management.
- Lead, plan and organize physiotherapy service and fitness programs.
- Deliver health enhancement programmes such as workshops and educational talk to clients, NGO partners and other collaborating parties.
- Strengthen the role of community physiotherapist in the transdisciplinary setting adopting a holistic care approach.
- Take up/ assist in research related to community physiotherapy services.

#### Requirement:

- Degree holder in Physiotherapy or equivalent.
- Holder of Certificate of Registration (Part 1a) with valid practicing certificate issued by Physiotherapists Board of Hong Kong.
- Post graduate qualification / Cert. in Acupuncture is an advantage.
- At least 2 years of working experience in outpatient/community/primary healthcare setting and able to contribute to the overall service development
- Ability to build and maintain rapport with clients.
- Self-motivated, flexible, passionate in community engagement, strong self-initiative, and reliable with good interpersonal skills
- Excellent communication skills and open to working in a diverse and multicultural environment
- Fluent in spoken and written Chinese, English
