

Health In Action

Position Title: Locum Pharmacist (Working schedule based on mutual agreement) / 三房兩廳

Position Summary

We are looking for passionate pharmacists to join our team and contribute to primary care development. They shall be a good team player and are attentive to details, with good interpersonal and communication skills.

Brief Description of Health In Action:

Health In Action (HIA) is a non-profit organization and registered charitable organization in Hong Kong since its establishment in 2011. Our vision is to achieve health for everyone in the society. We are a team of multidisciplinary healthcare professionals comprising pharmacist, physiotherapist, nurse, dietitian, nutritionist, social worker, health coach and public health researcher. We aspire to promote a healthy city in Hong Kong through cycles of service, research, advocacy, and nurture. You can also visit our website <https://hia.org.hk> for further information.

Brief Description of Jockey Club Healthy Neighbourhood Kitchen Project

Co-organised by Health In Action and Caritas Hong Kong, the project aims to encourage residents of subdivided flats to expand their living space with community resources through symbiotic community health approach, as well as to let residents know about how to maintain healthy habits with the accompaniment of our team. They can then promote such habits to other residents, which would eventually lead to a change in the society. Hence, an environment that is beneficial to the health of the community of subdivided unit residents will be created.

Job Description:

Key Responsibilities:

- To support the operations, compliance to legal requirement, inventory management of a community pharmacy (Authorized Seller of Poisons)
- To deliver minor ailment services and medication management services, including medication reconciliation, medication review, teleconsultations to patients with chronic diseases and their caregivers
- To work with the Pharmacy Team of Health In Action to contribute to the development of pharmacy service model in primary care setting

Qualifications:

- Registered pharmacist with valid practising certificate in Hong Kong
- Work experience in community pharmacy or non-governmental organisations, and postgraduate education in health-related discipline are advantages

Preferred Attributes:

- Good communication skills and open to working in a diverse and multi-disciplinary environment
- Self-motivated, flexible, passionate in community engagement and patient-centred care
- Strong command of both written and oral English and Chinese including Putonghua

Remark:

- Working schedule based on mutual agreement
- Workplace: Unit 2 & 6, No.6 Wilmer Street, Sai Ying Pun, Hong Kong

Application Deadline: 30 March 2024 or until the position is filled, whichever is earlier.

Interested candidates please email your CV and availability (e.g. commonly available schedule, preference of commitment period) to: hr@hia.org.hk
